Tsuen Wan Trade Association Primary School

Circular 17-008/D08 1st September, 2017

Dear Parents,

Circular on Student Health Survey Status

Physical Education is a formal subject of our school curriculum. Exercise regularly have great students.

If your child has ever had the following medical condition(s): heart disease, abnormal blood pressure, tuberculosis, epilepsy, bronchial asthma, serious hurt, visceral diseases, acute inflection or had surgeries etc, please write to us and specify the details. This is to ensure that students would enjoy proper care at school.

If your child has any health problems, you should seek medical advice on whether your child is suitable to participate in PE lessons and other school activities. If your child needs to be temporarily or perpetually exempted from PE lessons, please mark in Part B of the following reply slip and a medical certificate from a registered doctor must be produced.

For enquiry, please contact our Physical Education Panel Chairperson, Ms TSUI Chi Lai.

Yours faithfully,

Chow Kim Ho

Chow Kim Ho Principal

Tsuen Wan Trade Association Primary School Reply Slip of Circular 17-008/D08 < return to class teacher > <u>Circular on Student Health Survey Status</u>

Dear Principal,

- * I agree my child is suitable for participating in PE lessons and all school activities.
 - □ I do not agree my child is suitable for participating in PE lessons or any school activities and a medical certificate from a registered doctor must be produced.

□ I do not agree my child is suitable for participating in PE lessons or any school activities for a short term.

The reasons are as follows:

Exemption from _____to____ for participating

in PE lessons or any school activities is requested and a medical certificate from a registered doctor must be produced.

Please put a ' \checkmark ' in the appropriate boxes.
