Registrations and attending classes

1. Students must hand in the registration form to the class teachers on 24th January, 2018. If the activity is oversubscribed, the school will arrange the list of candidates with the recommendation of the teacher or the drawing of lots.
2. Late entry students will be on the waiting list. If there are too many applicants for a particular course, we will draw lots to create the participant list. A letter of acceptance will be distributed before each course begins.
3. Eligibility is not transferable to others.
4. Students must wear school uniform, school tracksuit or practice costumes.
5. If there is an insufficient number of participants, participants will be notified to change to another.
6. If the student does not fill out any activity intention, the school will arrange the activity group randomly.
7. When typhoon signal No. 8 or above, red or black rainstorm warning is hoisted, or if the EDB announces that school is suspended, all courses will be cancelled. If classes are suspended, you will be informed of the remedial issues. If participants are unable to attend the class on the make-up date, a refund will not be arranged.
8. Our school is going to subsidize students who are interested in joining the after school extra-curricular activities. The fees payable by parents are as follows:
 - (a) \$20 for a student who receives CSSA or has full subsidy from SFAA;
 - (b) \$40 for a student who receives half subsidy from SFAA;
 - (c) \$80 for the others.
9. If the participant is unable to attend for personal reasons fees paid will be non-refundable.
